### **Status of Application**

1. Applicant's amendment, filed after Final Rejection, has been entered in the application. Claims 18-22 and 32-34 are pending.

### **Drawings**

2. The drawings are objected to under 37 CFR 1.83(a). The drawings must show every feature of the invention specified in the claims. Therefore, the electronic device positioned on the panel mounted between the body and second basket (see claim 18) must be shown or the feature(s) canceled from the claim(s). No new matter should be entered.

Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet, and where necessary, the remaining figures must be renumbered and appropriate changes made to the brief description of the several views of the drawings for consistency. Additional replacement sheets may be necessary to show the renumbering of the remaining figures. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

3. Applicant is reminded that the elected embodiment is the species which is illustrated in figures 8-15. Figure 15 shows the panel portion 110, but fails to show the electronic device.

### **Allowable Subject Matter**

4. Claims 18-22 and 32-34 are allowed.

Art Unit: 3618

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
